Parent Involvement

Parents are encouraged to participate in their student’s experiences at LCS. Opportunities to work in classrooms, athletic events, concerts, renewals, retreats and other activities are open to parents. Teachers welcome conferences with parents who request them. Students will be more productive and effective when parent support is evident.

As indicated, parents are welcome and encouraged to participate in their student’s educational experiences at LCS. However, if that participation reaches a point of interfering with the educational process, the parent will be so notified.

It is Liberty’s policy to make every effort to work with parents; however, if a parent or legal guardian is not in harmony with the Statement of Faith, philosophy or policies of Liberty Christian School, or exhibits misconduct toward or about faculty or staff, this may result in a required withdrawal of one’s student(s) and does not negate the contractual obligation to pay tuition and fees.

We request that parents who help in the classroom, on field trips or other school events dress modestly and in accordance with Liberty’s dress code standards. Parents volunteering on a regular basis and/or for an unsupervised situation with students will be required to complete a background check that remains current. Parents volunteering to drive are required to fill out an application and a background check.

Parents are encouraged to participate in our Parent Teacher Fellowship (PTF). The PTF works to uphold the mission of Liberty Christian School’s faculty and staff. The Fellowship emphasizes spiritual encouragement and service to the faculty and staff, providing support to enhance their ability to instruct our student's hearts and minds. The ultimate goal of the PTF is that by increasing the resources of the faculty and staff, the spiritual and intellectual education of our children will be enhanced.
